Did You Know?

By Senior Officer Justin Craft

Well, it's that time of year again and it's starting to get hot outside. During these hot months, it is crucial to provide proper care for your pets. If you have an outside dog, an owner shall provide sufficient food and water, proper shelter, protection from the incumbent weather, veterinary care when needed to prevent suffering, and humane care and treatment. Did you know Section 22.18 (E) prohibits Leaving animals in parked vehicles. It shall be unlawful to leave an animal in a standing or parked vehicle without providing the animal with adequate air and protection from heat or cold. An animal left under such conditions may be impounded and issued a citation.
